SHEET NO. U L 134-ANG
INTIMATE HYGIENE WIPES
PREVEN'S

DEFINITION:

This wipes are towelettes impregnated with a cleansing and softening solution for adult personal intimate hygiene.

COMPOSITION:

Towelette permeation solution:

- gentle cleanser
- softening
- gentle antiseptic
- odor destroying agent
- perfume
- preservative

Ingredients : Aqua, Propylene Glycol, PEG-6 caprylic/capric glycerides, PEG-35 hydrogenated castor oil, Phenoxyethanol, Parfum, Methylparaben, Cetareth-25, Benzalkonium chloride, Laureth 3, Tetrahydroxypropyl ethylenediamine, Zinc ricinoleate, Butylparaben, Ethylparaben, Isobutylparaben, Propylparaben.

Bonded web: Polyester / viscose

USE:

Very pleasantly scented, the towelettes have been specially designed to facilitate adult personal intimate hygiene.

With a single dose, towelettes cleanse gently, easily with no need for rinsing.

The permeation solution of towelettes contains a gentle antiseptic that helps maintain a healthy skin.

The odor destroying agent helps eliminate unpleasant organic odors and prevents their appearance without altering the skin's biological balance.

DIRECTIONS FOR USE :

Partially remove the label of the travel pack.

Pull out a moist towelette.

Carefully close the package after use, in repositioning the repositioning the adhesive label to keep the towelettes moist.

Gently rub the towelette on the parts to be cleaned.

Use several towelettes if necessary.

Do not rinse. Let dry at ambient temperature.

Throw used towelettes and the travel bag when empty in a waste bin.
