SHEET N° UL 71-AN

PREVEN'S MAKE-UP REMOVER WIPES

DEFINITION:

PREVEN'S MAKE-UP REMOVER Wipes are impregnated with a make-up removing solution for use on healthy skin.

INGREDIENTS:

Impregnation solution:

Water, soft cleansing agents, moisturizing agents, perfume, preservatives.

Non-Woven:

Viscose / Polyester

USE:

Very pleasantly scented, PREVEN'S MAKE-UP REMOVER Wipes have been specially designed to remove make-up on face, lips, neck and eye contour.

Used once, the wipes gently cleanse and remove all types of make-up with no rinsing required.

The wipes are used at any time during the day to remove make-up at home or during travel.

DIRECTIONS FOR USE:

Partially remove the label of the travel bag.

Pull out a moist wipe.

Carefully close the package after use, repositioning the adhesive label to keep the wipes moist.

Use several wipes if necessary.

Do not rinse. Let dry.

Dispose of the used wipes, and the travel bag when empty, in the appropriate refuse container.

PRECAUTIONARY MEASURES:

Use on healthy skin only.

Keep away from children under 30 months.

IMPREGNATION SOLUTION TOLERANCE TEST:

Dermatologically and ophthalmologically tested

Hypoallergenic: The solution has been formulated and tested to minimize the risk of allergic reaction.

INCOMPATIBILITIES

Do not combine with other products.

CONSERVATION:

The wipes can be stored for 30 months in their original packaging, closed and at normal temperature conditions.

OTHER INFORMATION:

This document is based on our present knowledge related to the concerned product and the data it contains is provided with no other purpose than to give information on our products and their application possibilities. The information complies with current legislation and is given in good faith. It may in no way be construed as a commitment on our behalf on the specific properties of these products or their application for a given use.

The users' attention is particularly drawn to the risks that may be encountered when the product is used for purposes other than those for which it was designed.
